TOTAL CREDIT HOURS	68	

*Each SON course is identified by a 4-digit academic credit nomenclature: the first digit denotes the classroom hours, the second digit denotes the lab hours, the third digit denotes the clinical hours (1 credit = 56 hours), and the fourth

digit denotes the total credits earned.

**Up to 0.5 credits of clinical digit could be observation.

+ ABSN students are required to take 3 additional nursing credits as an elective. This can be an undergraduate or graduate course.

68 Nursing credits in residency

NUIP 2240 is transferred into the program as an admissions pre-requisite and counts toward the 71 total nursing credits.

49 general education credits are transferred into the program.
