Progression is dependent on successful completion of all required courses in the previous semester.

Refer to SIS or the Graduate Record for the most current information on course prerequisites.

Each SON course is identified by a 4-digit academic credit nomenclature: the first digit denotes the classroom hours, the second digit denotes the lab hours, the third digit denotes the clinical hours (1 credit = 56 hours), and the fourth digit denotes the total credits earned.

*Students admitted in Fall 2024 took GNUR 6010 for 4 credits. They may elect to apply this extra 1 credit toward the total credit requirement and take a 2 credit graduate level elective.
